FACULTY GRANT

* PAST RECIPIENTS

1999	David Hintenlang: “Distance Education in Nondestructive Testing for Engineers”
1999	Kevin Rens: “Nondestructive Testing in Civil Engineering”
2000	Guillermo Ramirez: “Development of a Nondestructive Evaluation Methods Course for Engineers”
2000	Gladius Lewis: “Development of New Courses in Nondestructive Testing and Evaluation in the Department of Mechanical Engineering at the University of Memphis”
2001	John C. Duke, Jr.: “NDE Lecture Modules”
2001	Philip McNew: “Nondestructive Testing Laboratory”
2002	John C. Duke, Jr.: “Database of NDE Images”
2002	Kevin K. Tseng: “Integration of NDT into CE295 Mechanics of Composite Materials Course”
2003	Francesco Lanza di Scalea and Vistasp Karbhari: “Development of Undergraduate Course SE163: Nondestructive Evaluation”
2003	Angie Hill Price and Robert W. Bolton: “Integration of Inspection Methodologies in a Manufacturing Curriculum”
2004	Thomas F. Lukach: “Nondestructive Testing, Evaluation and Applications”
2004	Jamal Rhazi: “Development of a Course on Nondestructive Testing and Instrumentation of Civil Engineering”
2005	Iris V. Rivero: “Fundamentals of Nondestructive Testing”
2005	Glenn A. Washer: “Nondestructive Evaluation for Post-event Condition Assessment”
2006	Anwar Haque: “Development of Web-based Modules and Improvement of an Existing Nondestructive Evaluation Course”
2007	Piervincenzo Rizzo: “Development of Undergraduate Course CEE1370 Nondestructive Evaluation”
2007	Parviz Yavari: “Development of Inspection Measurement Lab (ET313L)”
2008	Nicola Bowler: “Graduate Course in Eddy Current NDE for Distance Learning”
2008	John Rajadas and Sangram S. Redkar: “Nondestructive Testing Laboratory Enhancement”
2009	Norbert Delatte: “Redesign of a Nondestructive Testing Course for Blended Learning”
2009	John C. Duke, Jr.: “Design Course Module — Sustainable System Design”
2010	Yiming J. Deng: “Developing New Nondestructive Testing Courses to Serve the Denver Metropolitan Area and the State of Colorado”

FACULTY GRANT

* PAST RECIPIENTS

2010 Scott R. Short: "Revision of MEE 431 Composite Materials so as to Include a Lecture Component on NDE"
