The Fifth US – Japan NDT Symposium

Emerging NDE Capabilities for a Safer World

Call for Abstracts

Maui, Hawaii, USA

16–20 June 2014

Makena Beach and Golf Resort, Maui, Hawaii, USA

What can participation in this unique event do for you?

- Network with the top professionals in the industry from two major industrial nations, the U.S. and Japan
- Develop your professional and leadership skills
- Receive recognition for you and your organization
- Advance your career

Sponsors:
The American Society for Nondestructive Testing (ASNT) and
The Japanese Society for Non-Destructive Inspection (JSNDI)

Program Organizers:
David Culbertson, NDT Technical Services, Inc.
Shant Kenderian, The Aerospace Corporation
Yoshikazu Yokono, Pony Industry

SUBMIT YOUR ABSTRACT TODAY.....SUBMISSION DEADLINE: 4 OCTOBER 2013

The Fifth US – Japan NDT Symposium on Advancing Applications and Capabilities in NDE

Symposium Objectives

The Fifth US-Japan Symposium on Emerging NDE Capabilities for a Safer World offers a special opportunity to present at a cooperative symposium which fosters interactions among researchers, scientists, engineers and practitioners from the United States and Japan. This symposium provides opportunities to exchange NDE technical and scientific information, summarize current technological advancements and future directions for advancement in NDE to create a safer world.

Abstract Submission

Prospective authors are encouraged to submit abstracts of approximately 200 words on specified NDT methods via the ASNT website, www.asnt.org under the meetings and events section. Abstracts may also be e-mailed to conferences@asnt.org. Abstracts for JSNDI should be emailed to japan_us@jsndi.or.jp. Abstracts are reviewed by the Symposium Chairs for program placement. Authors will be informed of acceptance and a speaker packet with further instructions will be emailed shortly following the placement of submissions in the program. Correspondence will be sent to the presenting author only.

E-mail submission format requirements:

If you do not submit your abstract via ASNT's online form, please be sure to include the following information:

Abstract Title
Presenting Author
Organization
Address
City, State, Zip
Country
Phone
E-mail

Co-Author
Organization
Address
City, State, Zip
Country
Phone
E-mail

Please list any additional co-authors, as well as their contact information. All Correspondence will be emailed to the presenting author only. Speakers will be allowed 30 minutes for presentation including questions and answers.

ASNT's Mission
ASNT exists to create a safer world by promoting the profession and technologies of nondestructive testing.

Symposium Topics

Aging Infrastructure
Automated NDE
Biomechanics
Certification Criteria
Composites
Future Direction & Possibilities in NDE
Guided Wave Ultrasonics
Laser Ultrasound
Materials Characterization
Measurement Analysis
NDE Advancements Towards Technology Transfer
NDE Advancements in Radiology
NDE Developments for Transportation Systems
NDE Modeling and Signal processing
NDE of Infrastructure
Neutron Radiography
Non-Linear Ultrasonic
Performance Based NDT
Probability of Detection with NDE
Prognostic Tools for NDE
Safety and Reliability
Synergies within NDE

SUBMISSION DEADLINE: 4 OCTOBER 2013

Session Chairs

If you are interested in chairing a session please contact the ASNT conference department at conferences@asnt.org. Session organizers need to solicit and obtain 4 presentations per session. Those who submit their sessions in advance of the submission deadline will be given placement priority.

Questions concerning abstracts should be directed to ASNT conference department at conferences@asnt.org. or by phone at 614.274.6003 ext. 213.

ASNT discourages excessive use of trade names, company identifications or product names in oral and visual presentations, including abstract and paper summaries.
