Scheduling and Fees, Initial Certification

ASNT NDT Level II candidates applying for initial certification **MUST** take both the General examination **AND** a General Industry Specific examination **OR** a Pressure Equipment Specific examination for each test method in which certification is sought. Candidates have the option of taking both Industry Sector Specific examinations if they wish to be certified in both Industry Sectors.

In the table below, check the boxes for the examinations you wish to take, enter the dates and times when you wish to take those examinations and place the appropriate fee amount in the "Your Fees" column. When finished, total your fees and place them in the Fees column on page 1 of the application.

Example:

An ASNT member wishing to be certified in MT in the Pressure Equipment Sector at an AEC would fill out the MT line as follows:

Method	Examinations Requested	ASNT Member Exam Fee	Non-Member* Exam Fee	Exam Date	Exam Time (AM or PM)	Your Fees
MT	General + PE Specific Exams	<input checked="" type="checkbox"/> \$260.00	<input type="checkbox"/> \$335.00	AEC		\$260.00

Exam dates are listed in the ASNT Examination Schedule shown online at <http://www.asnt.org/certification/schedules/index.htm>. Examinations for only one test method may be taken in each morning or afternoon session, with a maximum of two (2) examinations per day at a scheduled test site. If you are applying to take your examination at an AEC, write "AEC" under "Date". You will then schedule the date and time of your examination directly with the AEC after you receive your Notification of Approval letter from ASNT.
