# Examination

Recertification by examination is required prior to the end of the second ACCP Professional Level III certification cycle. Certified individuals who are nearing the end of their first ACCP Professional Level III certification cycle may seek renewal of their certification (by points) and are not required to recertify by examination, though the option is available.

**This application is for ACCP Professional Level III recertification by examination only.** If you are seeking to renew your certification by points, go to [www.asnt.org](http://www.asnt.org) to download the Level III Renewal Application.

**\*\*\* DO NOT USE THIS APPLICATION TO RENEW BY POINTS \*\*\***

The ACCP Professional Level III recertification examination is a single examination comprised of 10 questions from the NDT Basic examination and 20 questions from each of the Method examinations for which recertification is sought. Use the table below to designate the methods in which you would like to recertify.

The NDT Basic portion is **mandatory** for ACCP Professional Level III recertification. If you are retaking the ACCP Professional Level III recertification examination after failing certain portions, you only need to retake the portions which were failed.

## Transfer / Cancellation / Refund Policy

All ASNT examinations are required to be taken within one calendar year from the date on the original Letter of Notification or Letter of Approval sent to the applicant. One transfer is permitted within that year, subject to the administrative fees detailed below. Failure to take examinations within that one-year period will result in forfeiture of all fees to ASNT.

The transfer or cancellation deadline is two (2) calendar weeks prior to the week of a scheduled examination. Transfers or cancellations received before the deadline will be subject to a \$75.00 administrative fee PER EXAMINATION. A transferring applicant must remit those administrative fees to ASNT by the application deadline for the rescheduled examination. No examination attendance will be permitted unless all fees are paid. Canceling applicants will receive a refund less all administrative fees.

No transfers or cancellations will be accepted after the above transfer deadline. Failure to show up ("No Shows") for scheduled examinations will result in forfeiture of the fees for the missed examinations.

If an examination application is received and the applicant is found to be unqualified to take the examination, a refund will be issued less an administrative fee of \$75.00 PER EXAMINATION.

All requests for transfers or cancellations must be submitted in writing to ASNT and be signed by the person registered for the examination. A signed fax transmittal is acceptable.

The International Surcharge and Membership Fees are non-refundable and non-transferable.

**No exceptions will be made to the above policy.**

In the event a question arises as to the competence of an Level III to perform an assignment in a field of specific discipline which cannot be otherwise resolved to the Ethics Committee's satisfaction, the Ethics Committee, either upon request of the Level III, or by its own volition, may require him/her to submit to an appropriate inquiry by or on behalf of the Ethics Committee; and
  - 3.1.5. Be completely objective in any professional report, statement, or testimony, avoiding any omission which would, or reasonably could, lead to fallacious inference, finding, or misrepresentation; and

Any violation of this code shall be deemed to be an unauthorized practice and upon proper complaint, investigation, due process hearing and ruling of the Ethics Committee of the ASNT Certification Management Council in accordance with procedures heretofore established and published, sanctions may be applied to the individual(s) in violation.
- 8.2. If the applied sanction is suspension or revocation of certification, the certificate holder agrees to discontinue all claims of ASNT certification and must return all certificates and wallet cards issued by ASNT.
