

An ASNT Topical Conference

# Exhibitor Prospectus

**Nondestructive Evaluation  
of Aerospace Materials  
& Structures III**

**4–5 June 2012**

**Crowne Plaza St. Louis Airport  
St. Louis MO USA**

## **Exhibit with the American Society for Nondestructive Testing at Nondestructive Evaluation of Aerospace Materials & Structures III**

An ASNT conference, Nondestructive Evaluation of Aerospace Materials & Structures III, brings to the forefront the Society's largest membership segment, Aerospace—accounting for more than 2,400 members.

This program will cover topics related to the maintenance and in-service inspection of aircraft. It will also address material effects on aging aircraft including hydrogen embrittlement and fatigue.

## **Topics to be covered include:**

- Impact of NDE on Structures and Design
- New NDE Methods
- Materials Characterization
- In-Process/On-Line NDE
- Post-Manufacturing Quality Assurance
- Automated Inspection Systems
- Adhesive Bond-line Evaluation
- In-Service Inspection
- NDE of Composite Repairs
- NDE Standards
- Structural Health Monitoring
- Nanotechnology in NDE
- Aerospace Applications
- Other Applications: Automotive, Marine/Shipbuilding, Civil Structures

## **Reserve your exhibit space today.**

Act now to ensure that your company benefits from this opportunity.

The earlier you purchase space the more promotion your company receives.

Gain the advantages from being listed in ASNT media and promotional materials.

## Did you know that at ASNT Tradeshows:

- More than half of conference attendees, 57%, identify the expo as primary reason for attending an ASNT event. (Not including exhibitors.)
- Overall, an average 85% of attendees to ASNT events have buying influence.
- For more than 75% of ASNT tradeshow visitors, ASNT shows are the only such show visited annually.
- ASNT exhibit shows bring visitors from global markets, averaging more than 20 countries.

## Hotel Accommodations

Crowne Plaza Hotel St. Louis Airport

# ASNT is the Gateway to the NDT Global Market with Members and Customers in more than 90 Countries.

## St. Louis and the Aerospace Industry

The aerospace industry has a large presence in St. Louis and the surrounding midwest making it a perfect location for ASNT's Aerospace conference scheduled for May 2012. In addition to Boeing's R&D unit, Phantom Works, other notable aerospace organizations in the area include: Carr Lane Mfg Co, Sabreliner Corp, GKN Aerospace North America, Thayer Aerospace Inc., Flight Safety International Inc. and Smiths Aerospace.

## Contract and Payment Information

Complete and return the exhibit contract to ASNT, 1711 Arlingate Lane, Columbus OH 43228-0518. Payment must accompany contract. You may fax the contract if paying with a credit card. ASNT accepts Visa, MasterCard, American Express and Discover.

## Space Assignments

Spaces are assigned by the ASNT Conference Department. Space assignments are given at the show, but may be available up to 2 weeks prior to the show.

## Electricity Rules

One 110v electrical outlet per exhibiting company will be available at an additional cost. Please indicate on the exhibit contract if you will need electricity. You will receive the facility's electrical order form with your exhibitor materials. Please complete and return this form immediately.

## Exhibit Shipping Instructions

ASNT will advise exhibitors of shipping details in an exhibitors' bulletin at a later date.

## Cancellation Policy

All cancellations must be made in writing and are subject to a \$200 processing fee. Cancellations made after 20 May 2012 will not be refunded. ASNT reserves the right to re-sell cancelled spaces.

## Pre Show and Post Show Lead Lists

Each company will receive a preliminary attendee list prior to the conference, an updated list at the show and a final attendee list via email after the conference. Utilize pre show attendee lists to invite customers and prospects to your booth; follow-up with the post show lists.

## Hospitality Suites

Hospitality Suites are available to all exhibiting companies. Private displays sponsored by non-exhibiting companies or individuals during ASNT conferences and show are considered inappropriate conduct. The ASNT Exhibitor's Committee and its member companies encourage you to participate in exhibitor sponsored hospitality suites. Hours for hospitality suite activities are limited to times other than official events sponsored by ASNT.
