   f. Notice can be taken of judicially cognizable facts and of generally recognized technical or scientific facts within the panel’s specialized knowledge, but the interested parties shall be given an opportunity to contest any fact.
   g. Objections to evidentiary offers may be made and shall be so noted in the record.

7.8 Witnesses may be subject to cross examination.

7.9 The presiding officer shall advise the Complainant of any substantive communications between the Ethics Committee, the ASNT ISC Technical Staff, and the panel concerning this matter between the time an appeal is submitted and ruling is entered or the complaint is finally adjudicated.
