Method or Discipline Selection

Please apply for the method or discipline that you are seeking certification. Note: This application is valid for initial certification and for recertification by examination. To renew without further examination, you must use the ASNT Level II Renewal Application.

Schedule Exams

All exams will be computer based unless otherwise specified. After you have been approved paid all application and exam sitting fees, you will receive email notification and instructions to schedule you exam. Examination sitting fees are now collected with the application instead at the time of scheduling.

Check a box indicating if this is a new or added method, a retake of an exam that you failed within the last five years, or a recertification exam if you are currently certified in the method. You may request accommodations during testing for special needs by contacting ASNT.

Fees for Initial Certification

ASNT NDT Level II candidates applying for initial certification MUST take both the General examination AND a General Industry Specific examination for each test method in which certification is sought.

In the table below, check the boxes for the examinations you wish to take and place the appropriate fee amount in the “Your Fees” column. When finished, total your fees and place them in the Fees column on page 1 of the application.

Transfer / Cancellation / Refund Policy

All ASNT examinations are required to be taken within one calendar year from the date on the original Letter of Notification or Letter of Approval sent to the applicant. Failure to take examinations within that one-year period will result in forfeiture of all fees to ASNT.

For computer based testing exams, exams can be rescheduled and cancelled 48 hours prior to the appointment without any additional fees. If you cancel within 48 hours, then the sitting fee portion of your fees plus a $75 administrative fee per exam will apply.

For Practical exams, the transfer or cancellation deadline is two (2) calendar weeks prior to the week of a scheduled examination. Transfers or cancellations received before the deadline will be subject to a $75.00 administrative fee PER EXAMINATION.

A transferring applicant must remit those administrative fees to ASNT by the application deadline for the rescheduled examination. No examination attendance will be permitted unless all fees are paid. Canceling applicants will receive a refund less all administrative fees.

No transfers or cancellations will be accepted after the above transfer deadline. Failure to show up ("No Shows") for scheduled examinations will result in forfeiture of the fees for the missed examinations. If an examination application is received and the applicant is found to be unqualified to take the examination, a refund will be issued less an administrative fee of $75.00 PER EXAMINATION. All Exam sitting fees will be refunded.

All requests for transfers or cancellations must be submitted in writing to ASNT and be signed by the person registered for the examination. A signed fax transmittal is acceptable. Membership Fees are non-refundable and non-transferable.
