Please apply for the method or discipline that you are seeking certification. **Note:** This application is valid for initial certification and for recertification by examination. To renew without further examination (by points), you must use the ASNT Level III Renewal Application.

**Schedule Exams**

All exams will be computer based unless otherwise specified. After you have been approved, paid all application and exam sitting fees, you will receive email notification and instructions to schedule you exam. Examination sitting fees are now collected with the application instead at the time of scheduling.

Check a box indicating if this is a new or added method, a retake of an exam that you failed within the last five years, or a recertification exam if you are currently certified in the method. You may request accommodations during testing for special needs by contacting ASNT.

**Basic Examinations**

To become certified as an ASNT NDT Level III, the NDT Basic examination and at least one Method examination must be passed. First time applicants must take the Basic and at least one Method examination. Once certification is achieved, additional methods may be added without retaking the Basic examination. If all certifications lapse, the Basic examination and the Method examination(s) must be retaken to regain certification.

ASNT Level III Experience and Attestation Form - 01MAR2018
Application Policy

All ASNT examinations are required to be taken within one calendar year from the date on the original Letter of Notification or Letter of Approval sent to the applicant. Failure to take examinations within that one-year period will result in forfeiture of all fees to ASNT.

For computer based testing exams, exams can be rescheduled and cancelled 48 hours prior to the appointment without any additional fees. If you cancel within 48 hours, then the sitting fee portion of your fees plus a $75 administrative fee per exam will apply.

For Practical exams, the transfer or cancellation deadline is two (2) calendar weeks prior to the week of a scheduled examination. Transfers or cancellations received before the deadline will be subject to a $75.00 administrative fee PER EXAMINATION.

A transferring applicant must remit those administrative fees to ASNT by the application deadline for the rescheduled examination. No examination attendance will be permitted unless all fees are paid. Canceling applicants will receive a refund less all administrative fees.

No transfers or cancellations will be accepted after the above transfer deadline. Failure to show up (“No Shows”) for scheduled examinations will result in forfeiture of the fees for the missed examinations. If an examination application is received and the applicant is found to be unqualified to take the examination, a refund will be issued less an administrative fee of $75.00 PER EXAMINATION. All Exam sitting fees will be refunded.

All requests for transfers or cancellations must be submitted in writing to ASNT and be signed by the person registered for the examination. A signed fax transmittal is acceptable. Membership Fees are non-refundable and non-transferable.

1. **Preamble**

1.1. In order to safeguard the life, health, property, and welfare of the public, to maintain integrity and high standards of skills and practices in the profession of nondestructive testing, the following rules of professional conduct shall be binding upon every person issued a certificate by ASNT as a Level III.

1.1.1. The Level III who holds a certificate is charged with having knowledge of the existence of the reasonable rules and regulations hereinafter provided for his/her conduct as ASNT Level III, and also shall be familiar with their provisions and understand them. Such knowledge shall encompass the understanding that the practice of nondestructive testing under this certification is a privilege, as opposed to a right, and the Level III shall be forthright and candid in statements or written responses to the Ethics Committee of the Certification Management Board.

1.1.2. The “Level III” as referred to herein is that individual who has been issued a certificate by the American Society for Nondestructive Testing, Inc. pursuant to its heretofore published requirements, rules, and procedures for such certification. This Code of Ethics is binding upon all individuals so certified.

2. **Integrity**

2.1. The Level III is obligated to act with complete integrity in professional matters for each client or employer as a faithful agent or trustee; shall be honest and impartial; and shall serve the public, clients, and employer with devotion;

2.3. The Level III shall not to use their certification in a misleading manner or in such a manner as to bring ASNT into disrepute. The Level III shall not make any statement regarding the certification, which ASNT may consider misleading or unauthorized.

3. **Responsibly to ASNT**

The Level III Shall:

3.1. Immediately report to ASNT any perceived violation(s) of this Code of Ethics or any attempt to pressure or force a certified individual to violate this Code of Ethics.

3.2. Not attempt to cheat on ASNT examinations, attempt to bribe or threaten ASNT / Pearson Vue or other third party testing personnel, falsify documents, falsely claim, misrepresent or permit misrepresentation or misuse of their own or others professional qualifications, knowledge, training, experience, work responsibilities, or certifications.

4. **Responsibility to the Public**

The Level III shall:

4.1. Protect the safety, health, and welfare of the public in the performance of professional duties. Should the case arise where the Level III faces a situation where the safety, health, and welfare of the public are not protected, he/she shall:

4.1.1. Apprise the proper authority if it is evident that the safety, health, and welfare of the public are not being protected; and

4.1.2. Refuse to accept responsibility for the design, report, or statement involved; and

4.1.3. If necessary, sever relationship with the employer or client; and

4.1.4. Undertake to perform assignments only when qualified by training and experience in the specific technical fields involved. In the event a question arises as to the competence of a Level III to perform an assignment in a field of specific discipline which cannot be otherwise resolved to the Ethics Committee’s satisfaction, the Ethics Committee, either upon request of the Level III, or by its own volition, may require him/her to submit to an appropriate inquiry by or on behalf of the Ethics Committee; and

4.1.5. Be completely objective in any professional report, statement, or testimony, avoiding any omission which would, or reasonably could, lead to fallacious inference, finding, or misrepresentation; and

4.1.6. Express an opinion as a technical witness before any court, commission, or other tribunal, only when such opinion is founded upon adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter, and upon an honest conviction of the accuracy or propriety of the testimony.

5. **Public Statements**

5.1. The Level III will issue no statements, criticisms, or arguments on nondestructive testing matters connected with public policy which are inspired or paid for by an interested party, or parties, unless he/she has prefaced the remark(s) by explicitly identifying himself/herself, by disclosing the identities of the party, on whose behalf he/she is speaking, and by revealing the existence of any pecuniary interest he/she may have in these matters.

5.2. The Level III will publicly express no opinion on a nondestructive testing matter unless it is founded upon adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter, and upon honest conviction of the accuracy and propriety of the testimony.
