

Qualifications and Required Documentation for ASNT NDT Level III Certification

DO NOT BEGIN YOUR APPLICATION UNTIL YOU HAVE REVIEWED AND COMPLETED ALL REQUIRED DOCUMENTATION

Applications for ASNT NDT Level III certification must be completed online through www.ASNT.org for consideration.

All documentation can be attached and submitted digitally in the online application. It is imperative that you thoroughly review the qualifications for the certification and attach the appropriate verification forms. Scan original documents for upload. Print, manually complete, and scan additional forms for upload.

If any portions are not complete and/or required documentation not submitted, your application will not be considered for approval.

Requirement 1: Education and Experience

Your required experience is based on your education level.

4 Years/12 months: If you graduated from a minimum four-year college or university with a degree in engineering or a physical science, you must have one year (12 months) of experience in nondestructive testing in an assignment comparable to that of a Level II in the applicable test method(s) as defined in the latest edition of ASNT's Recommended Practice No. SNT-TC-1A;

Or

2 Years/24 months: If you completed, with passing grades, at least two full academic school years of engineering or a physical science study at a university, college, or technical school, you must have two years (24 months) of experience in nondestructive testing in an assignment comparable to that of a Level II in the applicable test method(s) as defined in the latest edition of ASNT's Recommended Practice No. SNT-TC-1A;

Or

At least four years (48 months) of experience in an assignment comparable to that of a Level II in the applicable test method(s), as defined in the latest edition of ASNT's Recommended Practice No. SNT-TC-1A

Step 1: Experience must be documented on this form: [ASNT NDT Level III Experience Form](#)
