- Role of NDT/NDE in Condition Assessment, Forensic Investigation, and Structural Health Monitoring
- Role Of NDT/NDE in Construction Quality Management
- Recent Innovations in NDT/NDE
- Reliability of NDT/NDE
- Role of NDT/NDE and SHM Data for Load Rating, Structural Response Modeling, Deterioration Modeling and the Estimation of Remaining Service Life/ Structural Stiffness/Residual Strength
- Use of NDE and SHM in Understanding Structural Response and Verification of Design Assumptions
- Qualification and Performance Testing of NDT Bridge Inspection Practitioners
- SHM for Support of Preservation

**SUBMIT YOUR ABSTRACT AT ASNT.ORG/EVENTS**

**SELECT THE NDE/NDT STRUCTURAL MATERIALS TECHNOLOGY FOR HIGHWAYS AND BRIDGES 2020 CONFERENCE AND CLICK THE SPEAKERS TAB.**
ABSTRACT SUBMISSION

Abstract submission deadline: April 18, 2020 - Submit online at: asnt.org/events

Prospective presenters are requested to submit 250-word abstracts online at asnt.org/events. Abstracts will be reviewed by the program committee and those accepted will be scheduled in the program. Upon acceptance, additional instructions will be emailed to the presenting author regarding presentation details and instructions for preparing a paper summary for the Conference proceedings. Questions concerning abstracts should be directed to Alicia LeMasters, at alemasters@asnt.org, or 614-384-2463.

ORGANIZE A COMPLETE SESSION

Serving as a session chair gives you an additional opportunity to be recognized as an industry leader. You will have the opportunity to introduce the speakers, facilitate the question and answer period and help make the conference a meaningful experience for hundreds of attendees. Do you know four top notch speakers in your area of expertise? For more information on organizing a complete session contact Alicia LeMasters, at alemasters@asnt.org, or 614-384-2463.

CONFERENCE PROCEEDINGS

Presenters wishing to share their research may submit an 8-10 page paper of the work being presented. Presented papers that are submitted will be made available to attendees and to ASNT members through the ASNT Digital Library. Instructions for submitting paper summaries will be provided with the acceptance letter. Please see the Speaker Information page on the ASNT website for more details.

NON-COMMERCIALIZATION POLICY

ASNT strives to provide a forum for objective presentation of ideas and knowledge free of commercialism (i.e., a sales pitch for a specific product from the speaker’s company). The use of trade names, company identifications or product names in oral and visual presentations, abstracts and papers should be avoided.

Questions? Contact Alicia LeMasters, ASNT Conference Department at alemasters@asnt.org or 614-384-2463.
