

**Due at your discretion by June 30th**

**PRESIDENT'S AWARD PROGRAM**

**STUDENT OUTREACH (Elementary, Middle School, High School or College)**

**SECTION NAME:** \_\_\_\_\_

**INSTRUCTIONS** – **1,500 points** are available for student outreach activities that introduce/explain NDT methods and/or promote NDT career opportunities. Each submission must be accompanied by a letter/email from the participating teacher/professor. For scholarships, submit a letter signed by the section chair that includes the recipient's name(s), an explanation of the method used to award the recipient, the name of the recipient's school, and the amount of the award.

**Sections can earn the maximum of 1,500 points for participating multiples times in the same category A – D. Points are awarded per activity NOT by the number of section members who participate.**

- A. Presentation in the classroom to introduce and/or demonstrate NDT to students**
- B. Participation in a science fair**
- C. Participation in a career day/STEM event**
- D. Scholarship(s) awarded to student(s)**
