2.0 Definitions

2.1.22 Personalized Instruction. Personalized instruction may consist of blended classroom, supervised laboratory, and/or hybrid online competency-based course delivery. Modular content is covered through online presentations, in the classroom, and/or in small groups. Personalized instruction also enables students to achieve competency using strategies that align with their knowledge, skills, and learning styles.

Page 3

4.0 Qualification Requirements

4.1.1.1 The organized training may include instructor-led training, personalized instruction, virtual instructor-led training, computer-based training, or web-based training. Computer-based training and web-based training shall track hours and content of training with student examinations in accordance with 4.1.2.

Page 7

6.0 Examinations

6.4 ASNT NDT Level II Certificate. The employer may accept a valid ASNT NDT Level II certificate as meeting either or both of the examination requirements of paragraphs 6.3.1 and 6.3.2 if the NDT Level III has determined that the ASNT examinations meet the requirements of the employer’s certification procedure.

6.5 ACCP Level II Certificate. The employer may accept a valid ACCP Level II certificate as meeting any one or all of the examination requirements of paragraphs 6.3.1, 6.3.2, and 6.3.3 if the NDT Level III has determined that the ASNT examinations meet the requirements of the employer’s certification procedure.

6.6 Administration and Grading

6.6.2 Employer Examinations. For each employer-administered certification written examination, each candidate shall achieve a grade of at least 70%. For practical examinations, each candidate shall achieve a grade of at least 80%. A composite average grade of 80% is required to be eligible for certification. All certification examinations shall have equal weight in determining the average grade.
