MEETING DATE: OCTOBER 15TH 2015

Well looks like summer may finally be over; with a cool down in the weather we hope to see more of our elusive guests start to attend. We also look forward to seeing our regulars and familiar faces.

Speaker:
Douglas R. Lynn
Resp. Level 3 at Chromalloy Arizona

About the Speaker:
Doug Lynn has served as Quality Manager for several aerospace manufacturers and process houses. He has served as FAA / EASA Accountable Manager for Part 145 repair stations. He served as prime voting member of NADCAP task groups for NDT and Chemical Processing.
He has experience in Castings, forgings, composites, NDT, wet chemical processing, plating, coatings, painting, machining, heat treating and semi-conductor inspection. He also has experience managing up to 100 personnel in multiple locations and multiple projects.

Topic:
How to interpret Radiographic Casting Plates, and other Defect Identification.

Overview:
How to properly identify defects, verify them against the radiographic reference plates, and may include weld defect types as well.

MEETING LOCATION

ASNT – Local Chapter Announcements, and Group Photo!

Continuing to thank our guests for their attendance, and with thanks to all our sponsors; ASNT will be providing the **Dinner Free of Charge** to all those who attend.
**September 2015 Local Section News:**

**ASNT – ARIZONA WEBSITE:**
ASNT.org is finally hosting local section websites. Ours is ready for release, please check it out here: [www.asnt.org/arizona](http://www.asnt.org/arizona) any feedback is appreciated as always so we can better serve your needs. Remember to check back often and share it with your social media contacts to further the NDT word. Were also back to updating our Facebook page as well. Both sites will have updates you can check on for upcoming meetings, events, and local section news!

**SECTION OPPORTUNITIES:**
We have a current goal set by ASNT HQ to gain more membership recruiters (Hoping for a goal to get 8 in total) If you would like to be a part of recruiting new members to our chapter please contact Mike Urwin for more information.

**SPONSORS:**
Big shout out to our sponsors; with their help our funds have never been healthier. And thanks to that we can continue to provide your dinners free of charge! Some of our sponsors have also been bringing back door prizes; so be sure to come check us out!

**September 2015 Meeting Recap:**
There was a great turn out of approx 20 people at this event including both new faces and some of our regulars. The topic was well received on the outrageous personalities of materials under test. It gave some great new ways of thinking about materials and identifying the best test method for each. Thanks again to Randy Jones for presenting. We've even got a great group photo which will continue as our new format for meeting recaps to hopefully appear in ASNT’s publications.

**Job Opportunities:**
TEST NDT has an immediate vacancy for a senior instructor at their office in Brea, Southern California. Pre-requisites are ASNT level 3 certification in at least UT, MT and PT, other methods and a working knowledge of Phased array would be a bonus, but, not essential. Training will be provided in additional methods if needed. Duties will include, but not be limited to teaching classes at our facility and customers facilities, writing NDT procedures, qualification examination administration and preparation duties, customer liaison, maintaining NDT training equipment and training samples. Must be prepared to travel and have a current driving licence. Must successfully complete TEST NDT certification examinations (I.a.w. NAS 410) prior to commencing employment. Competitive salary and benefits for right person. Please send resume, at least 2 references who can be contacted, available start date and a cover letter stating why you think that you are suitable for the position to NDTGURU@AOL.COM attention Richard Harrison, President, TEST NDT.

**UPCOMING MEETINGS & EVENTS**
