Our Guest speaker for April, is Mr. Douglas Lynn

Mr. Douglas Lynn is an ASNT Level 3 in MT, PT and RT. Mr. Lynn has been in the industry for over 40 years where he has held many different positions. His three adult children, and his two oldest grandchildren, have all followed in his footsteps and hold various NDT certifications of their own. At this time, Doug wears many different hats at Chromalloy. His presentation will be on Fraud and Falsifying of Records: The Wendell H. Ford act.

Location: Rodehouse Restaurant, 2425 S 24th St, Phoenix, AZ 85034.

Social Hour - 5:00pm
Presentation – 6:00pm

Your Arizona ASNT Section will be providing our members with yet another...FREE DINNER APRIL 20th Thank you to all of our great sponsors who help make this happen!

A very Special Thank you to the folks at Team Industrial for donating $100.00 towards last month's dinner!

Please find the time to reach out to our sponsors with business opportunities when able, or refer others to use their services. We’d like for all of our sponsors to get an excellent return on their advertising!

Since 1998, AMS has been committed to providing accurate, proactive material evaluation, cleaning and finishing of safety critical parts for the automotive industry. We conduct high speed, high throughput inspections of components using ultrasonic testing (UT), acoustic resonance testing (AT), and eddy current testing (ET). We work closely with client partners to determine which NDT method or combination of methods will deliver the ideal solution for 100% containment of potential defects at best overall value.

We can combine non-destructive testing with cleaning and packaging to ensure only 100% conforming materials arrive at your plant sorted, cleaned and packed ready for production. So whatever your challenges speak with us to develop a solution that is efficient, affordable and effective.
