Happy New Year!

Please welcome back Doug Lynn, Level 3 for Chromalloy, to get us started for 2018.

Doug Lynn has been in Aerospace Quality and NDT for about 45 years. He holds his ASNT Level 3’s in Penetrant, Magnetic Particle and Radiography. During his career, he has worn many hats beyond NDT including Quality Manager. He can boast having three children, and two grandchildren, and one nephew in the NDT field following in his footsteps.

Presentations will be: “Digital radiography basics, and good practice.”

The March meeting will be Vendors’ Night! Please contact Dawn Lynn for further information if you wish to participate!
2018 Local Section News:

CHAPTER NEWS:
Membership has its rewards, be a member and grow with the ASNT Community! Our goal is for each member to recruit at least one person to join ASNT!

ASNT – ARIZONA WEBSITE:
ASNT.org is finally hosting local section websites. Ours is ready for release, please check it out here: WWW.ASNT.ORG/Arizona

NETWORKING:
Please be sure to check out AWS’s sites and add them to your favorites as well: http://awssection.org/arizona & https://facebook.com/AWSArizonaSection. Follow their links to see their latest meeting plans.

NEWS from ASNT HQ:

UPCOMING MEETINGS & EVENTS

January 18, 2018:
Doug Lynn will be returning to speak for us on the topic of Digital Radiography.

February 15th, 2018:
First time speaking for our section, Alex Leybovich will join us to present "Acoustic impedance analysis of bonded interfaces" a topic in Ultrasonic Testing.

March 15th, 2018:
Vendors’ night! Vendors, please contact Dawn Lynn for further information!

Thanks to all of you for being part of our ASNT Section, we greatly appreciate your membership in our Arizona Section, and for being an important part of the ASNT family!

Interested in Presenting at a Section Meeting?
Contact Dawn Lynn (listed above), and provide us with a brief description of your presentation, and your contact information.

We are getting ready to line up our 2018 speakers and we want you to present!
George Hopman of NDE Solutions and Level 3 extraordinare presented his two papers from the ASNT fall conference at the Annual Southwest Gas Gaslight Dinner at the November 2017 meeting.

Our condolences go out to Kent Wilson of Talon Test Labs, Michael Wilson of Semiray, and the rest of his family.

Barbara Ann Wilson known to many of us in the community as Barbie, passed away in November 2017. Services were held November 11, 2017. She was the sweetest, kindest, gentlest person that any of us could hope to meet.

“If ever there is a tomorrow when we’re not together... there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think. But the most important thing is, even if we’re apart... I’ll always be with you.”

Job Opportunities

If you have a job opportunity you would like to have shared with the ASNT community, please contact Dawn Lynn to have it added.

NDT Training, Scheduled courses for January – December 2018

Greatly Expanded Schedule of Classes for 2018

We will be Scheduling WEEKEND TRAINING COURSE please contact Cathy for dates

NDT Level I and II Courses

Magnetic Particle Level I/II SNT-TC-1A
(24 hours) $695
January 22-24, March 5-7,
April 9-11, April 30-May 2, July 15-18, August 6-8,
September 10-12, December 3-5

Penetrant Level I/II SNT-TC-1A
(15 hours) $695
January 25-28, March 8-9,
April 12-13, May 3-4, July 19-20, August 9-10,
September 13-14, December 6-7

Ultrasonic Testing Level I
(40 hours) $1295
January 8-12, March 12-16,
April 16-20, May 7-11, July 23-27, August 13-17,
September 17-21, December 10-14

Ultrasonic Testing Level II
(40 hours) $1295
January 15-19, March 19-23, April 23-27,
May 14-18, July 30-August 3, August 20-24,
September 24-28, December 17-21,

Radiation Safety (IRRSP Preparation)
(40 hours) $1295 (Approved by State of CA)
January 29-February 2, June 4-6, October 1-5

Radiography Testing Level I
(40 hours) $1295
February 5-9, June 11-15, October 8-12

Radiography Testing Level II
(40 hours) $1295
February 12-16, June 18-22, October 15-19

Film Interpretation (40 hours) $1295
TBA

Eddy Current Testing Level I (40 hours) $1295
March 26-30, October 22-26

Eddy Current Testing Level II (40 hours) $1295
April 2-6, October 29-November 2

Visual Testing Level II (24 hours) $845
January 3-5

Phased Array Training
These are Level I and II UT PA courses to meet the SNT-TC-1A (2011) certification requirements

Introduction to Phased Array, (16 hours) $1195
February 19-20, November 5-6

Ultrasonic Phased Array Level I (SNT-TC-1A) (40 hours) $1995
February 19-23, November 5-9

Ultrasonic Phased Array Level II (SNT-TC-1A) (40 hours) $1995
February 26-March 2, November 12-16

Ultrasonic Phased Array Composite Inspection
New for 2018 (40 hours) $1995
September 4-7

Back for 2018, Scheduled,
ASNT NDT Level III Examination,
Refresher Courses

Basic Level III – Includes textbook package
worth over $300 (40 hours) $1395
May 21-25
Eddy Current Level III (24 hours) $995
August 27-31
Visual Testing Level III (16 hours) $795
November 27-28
Magnetic Particle Level III (16 hours) $795
September 4-5
Penetrant Level III (15 hours) $795
September 6-7
Radiography Level III (24 hours) $995
July 9-11
Ultrasonic Level III (40 hours) $1395
June 25-29

Additional “Ad Hoc” NDT Training Courses
Please call for dates for the below courses

Magnetic Particle Level II NAS 410 (32 hours) $1195
Penetrant Testing Level II NAS 410 (32 hours) $1195
Ultrasonic Thickness Testing (40 hours) $1295
Digital Radiography Testing (40 hours) $1995
Eddy Current Aerospace (40 Hours) $1995

Back for 2018
CWI Examination Preparation Course (40 hours) $1595
Note: This will be scheduled over 4 (10 Hour) Saturdays.

Qualification Examinations prepared, and administered,
procedures written, level III outside agency services
and contracts available.

Any of our courses can also be held at your facility just
for your staff. Call for details

OUR POLICY IS NOT TO CANCEL COURSES IF YOU ENROLL & PAY 2 WEEKS IN ADVANCE
For questions or to enroll contact us at www.testndt.com, email ndttrain@aol.com, Ph (714) 255-1500
Since 1998, AMS has been committed to providing accurate, proactive material evaluation, cleaning and finishing of safety critical parts for the automotive industry. We conduct high speed, high throughput inspections of components using ultrasonic testing (UT), acoustic resonance testing (AT), and eddy current testing (ET). We work closely with client partners to determine which NDT method or combination of methods will deliver the ideal solution for 100% containment of potential defects at best overall value.

We can combine non-destructive testing with cleaning and packaging to ensure only 100% conforming materials arrive at your plant sorted, cleaned and packed ready for production. So whatever your challenges speak with us to develop a solution that is efficient, affordable and effective.
