Schedule Exams

Domestically, all exams will be computer based unless otherwise specified. After you have been approved, paid all application and exam sitting fees, you will receive email notification and instructions to schedule your exam. Examination sitting fees are now collected with the application instead at the time of scheduling.

To apply for an exam to be taken outside the United States, enter the date and time when you'd like to take the exam. Exam dates are listed in the ASNT Examination Schedule. Only one examination may be taken in a session. You may take a maximum of two (2) examinations per day at a scheduled test site.

Check a box indicating if this is a new or added method, a retake of an exam that you failed within the last five years, or a recertification exam if you are currently certified in the method. You may request accommodations during testing for special needs by contacting ASNT.

Basic Examinations

To become certified as an ASNT NDT Level III, the NDT Basic examination and at least one Method examination must be passed.

First time applicants must take the Basic **and** at least one Method examination. Once certification is achieved, additional methods may be added without retaking the Basic examination. If all certifications lapse, the Basic examination and the Method examination(s) must be retaken to regain certification.
