Recommended Practice No. SNT-TC-1A 2001 Text Corrections

The three text corrections below apply to the first printing of the 2001 edition of *Recommended Practice No. SNT-TC-1A*. Subsequent printings of the document will incorporate the corrections into the published text.

Page 3: The paragraph following 6.3.3.3 is corrected to include <u>Level II</u> near the end of the sentence.

The above Level III requirements may be partially replaced by experience as a certified NDT Level II or by assignments at least comparable to NDT <u>Level II</u> as defined in the employer's written practice.

Page 7: The second and third lines of 8.8.3.2 are corrected to include <u>ACCP Professional Level III</u>.

8.8 NDT Level III Examinations

8.8.3 Specific Examination (for each method).

8.8.3.2 The employer may delete the specific examination if the candidate has a valid ASNT NDT Level III or <u>ACCP</u>

<u>Professional Level III</u> certificate in the method and if documented evidence of experience exists, including the preparation of NDT procedures to codes, standards, or specifications and the evaluation of test results.

Page 10: The entry for Ultrasonics Level II Minimum Required Work Experience is corrected to read <u>630</u>.

Table 6.3.1 A Recommended Initial Training and Experience Levels

Examination Method	Level	Technique	High School graduate or equivalent	Completion with a passing grade of at least 2 years of engineering or science study at a university college or technical school	Minimum Required Work Experience in Method (Hours)	Permitted Time Frame (to obtain required work experience in method) (Months)
Ultrasonics	1		40	30	210	1.5-9
Citrasomes	II		40	40	630	4.5-27
